I. Dual Enrollment Checklist

A. GENERAL INFORMATION

**Dual Enrollment** is the broad term for various opportunities for students to take college coursework while enrolled in high school or home school and receive a). both college and high school credit, or b). early college-credit-only.

**Dual Enrollment Models for Awarding Credit**

1. A **dual credit** course awards both high school credit and college credit for a college course taken by student. The decision to award high school credit for a college course rests with the school district, provided that the decision is consistent with applicable laws, policies, and administrative rules.

2. An **early college-credit-only** course awards college credit, but not high school credit, for a college course taken by the student.

   - High school students should seek advice from your high school counselor. If dual credit is requested, your high school counselor will determine course applicability and credit equivalency. The high school is the final authority on what is required for high school graduation. The student is responsible for making sure all requirements are met.
   
   - Only college courses numbered 100 and above are eligible for dual credit.
   
   - If you plan to take seven or more credits, you must submit a copy of your immunization records (on file at your high school or from your physician).
   
   - Students in dual credit or early college-credit-only courses will follow the campus’ timelines, catalog, policies and procedures.
   
   - There is no guarantee that the requested courses will be taught or that space will be available.
   
   - For high school students taking dual credit courses, grades will be on file at both your high school and the college at the conclusion of the course(s). Students in college-credit-only courses may access their grades from the college.

B. APPLICATION AND REGISTRATION

In order to register for a dual credit or early college-credit-only course, you must do the following. IV. Important Information

A. Transfer of Credits

This Montana University System (MUS) institution is accredited by the Northwest Commission on Colleges and Universities (NWCCU). For transfer purposes, most regionally accredited institutions will accept credits from the other accredited colleges and universities. Additionally, the MUS utilizes a uniform course numbering system (“common course numbering” or “CCN”). CCN is a cooperative effort among all MUS institutions that facilitates course transfer. Although CCN ensures courses with the same prefix and number will transfer seamlessly from campus to campus, the acceptance of transfer credit for individual degree programs is always determined by the receiving institution. Students should contact the institution they plan on attending if they have specific questions about course transferability for a specific degree program.

For information on courses offered throughout the MUS, please visit http://mus.edu/Qtools/CCN/ccn_default.asp and http://mus.edu/Transfer/MUScore.asp.

B. Release of Student Information to Parents

A student’s higher education record is protected under Montana Law and the Family Educational Rights and Privacy Act of 1974. The release of student information to a student’s parents, by either the high school or the college, will be governed by the State and Federal laws governing those separate institutions. As a result of such laws, the college will not release academic information to a student’s parents without the student’s express written consent.

C. Adding and Dropping Courses

Once you have registered for any course(s), and then find you must adjust your schedule by adding or dropping a course, you need to complete an add/drop form (drop, add & refund deadlines will apply). If you need to drop ALL your courses (even if it is only one course) you may need to complete additional forms to finalize total withdrawal from the institution.

- If you are registered in a dual credit course, these forms must be signed by a high school counselor.

- If you are under the age of 18, a home school student, and registered in a college-credit-only course, these forms must be signed by a parent/guardian.

IMPORTANT! If you are enrolled in a dual credit course at the high school and drop the high school course, you must also drop the college course. Add, drop, and withdrawal forms are located at: http://www.umt.edu/registrar/Forms1.aspx.
D. Access to Grades

Grades will be available through the college’s online student information system using your Student ID number. You can access the system by visiting http://cyberbear.umt.edu. For dual credit courses, grades are also available through the high school.

E. Transcripts

You may access unofficial transcripts through the online student information system using your Student ID number. You can access the system at: http://cyberbear.umt.edu You may also request official transcripts by contacting the campus at http://www.umt.edu/registrar/ . Transcript fees may apply.

F. Payment of Dual Enrollment Costs

Payment of all dual enrollment costs (tuition, course fees) is required. Tuition is assessed at 50% of the Board of Regents approved rate and is usually paid at the start of the term of enrollment. In addition, students are exempt from all mandatory fees but may be assessed approved course fees. Dual enrollment students are responsible for complying with applicable campus payment policies, procedures and methods.

G. Disabilities

If you have a disability for which accommodations may be necessary, please submit a confidential written request for disability accommodations to Disability Services of Students, Lomasson Center 154, University of Montana, Missoula, MT 59812. Written documentation of disability is required.
